24e. Emergency hospital services.

Emergency hospital services do not require prior authorization from an appropriate entity. However, the provider must notify the member's contractor within 12 hours of the member presenting for the services.

If the medical condition is non-emergent, either the AHCCCS Administration or the member's health plan or program contractor shall be notified prior to treatment. Neither AHCCCS or any AHCCCS provider shall be responsible for the costs of hospitalization and medical care delivered by a hospital which does not have a contract to provide care after the eligible person has been determined to be transferable, and/or an attempt is made by AHCCCS or the provider to transfer the person and the person receiving care has refused to consent to the transfer.
